Dear Parents,

A really warm welcome to all children, parents, carers and governors of Waltham on the Wolds C of E Primary School. My name is Mrs Sembi and I have been a Headteacher of three different schools in Leicestershire and now am delighted to be working as Acting Executive Headteacher of your school in Mrs Hopkins' absence.

I very much look forward to meeting you all in the coming days. Please don't hesitate to introduce yourself to me.

I will be working across both Redmile and Waltham on the Wolds schools on Monday, Tuesday and Wednesday.

Kind regards

Jatinder Sembi
