

Autumn Newsletter 7  
6<sup>th</sup> October 2017

Dear Parents,

### **In Class this week**

#### **Beech Class**

This week in Beech class the children have been learning about Autumn. We have been on an Autumn walk where we discussed what happens to the trees this season. Then we made an Autumn picture using leaves. In maths we have been adding 1 more to given numbers and in Read Write Inc we have learned v, o, w and y.

#### **Holly class**

This week in maths we have looked at adding and subtraction using money and working out what change we need when problem-solving. In literacy we have continued looking at our Traditional Tales topic and have begun to create our own photographic picture books. We also looked at powerful verbs to make our sentences more interesting.

#### **Oak class**

This week we have been practising a variety of different methods to help us solve addition and subtraction calculations. In RE we looked at how prayers and meditation can help us to reflect on things in our lives. We have continued to practise baking skills and knowledge for our project. Finally, in literacy we have written sentences using adjectives and adverbs.

#### **Sycamore class**

This week the children have been explaining and giving reasons for their chosen calculation method. In literacy we have been using different types of adjectives to make a fruit and vegetable advert. By creating a time-line of World War 1 events we were able to show our knowledge of key events during this period.
