

Building Demolition 2018

During the summer holiday, our old mobile classrooms were finally demolished. We have been waiting for many years to access the required funding to replace the rotten mobile which finally happened this year. The new classrooms will be bigger, brighter and eco-friendly. We can't wait! Look at what happened .

Mrs Hopkins looking happy in the digger

Holly Classroom... gone. Floor coming up.

Toilets gone. Phew!!!!

The claw bringing the roof down.

Beech Classroom...gone.

The whole lot...gone. Hooray!!
