

Primary School P.E. and Sports Funding Expenditure

2017-2018 (£8355)

Sports Premium is a specific allocation of funds, additional to main school funding which the government believes is the best way to improve provision of physical education and sport in schools.

Below are the details of our Sports and P.E. funding allocated for 2017-2018, how it will be spent and how the impact will be measured on the children and staff at our school:

Monitoring and Evaluation

The impact of the provision will be reviewed on a regular basis and any adjustments required will be made and updated.

2016-2017

Waltham-on-the-Wolds CE Primary School received £8310 of Sports Premium funding for the financial year 2016-17 (starting from April). Coupled with money allocated from our designated school budget, the sports premium was spent in a number of different ways to support the provision of improved quality of sports and PE for all pupils.

How we spent the funding:

Activities Selected	Cost
Qualified sports coaching	£4252.55
Village Hall hire charges	£1255.50
Transport to sporting venues/competitions/tournaments	£468.50
Equipment	£1991.90
Swimming Pool Costs	£341.55
TOTAL investment in high quality sports provision	£8310

Data accurate as of September 2017. This will be reviewed and reported on at the end of the Academic Year.

Impact

Building on last year's noticeable improvements in overall fitness levels, more of our children are engaging in sport in and out of school. When the weather was too severe to use our school field, children walked down to the Village Hall to participate in their weekly PE sessions: dance, games or gymnastics. It was a similar scenario for After School Sports Club, with the Sports Premium funding the use of the hall. Children were able to practise and develop their skills each week, building on prior learning and went on to win the Vale and Melton Hockey Tournament, beating a number of large primary schools in the process. They represented the area in the County Finals and played extremely well, holding their own against tough competition from much larger schools.

- Sports covered in PE –
 - Football, Rugby, Hockey, Netball, Basketball, Gymnastics, Badminton, Tennis, Athletics and Cricket.

Our children attending After School Club were always requesting to go out and play football or rounders. This growing interest in sports has led to more active participation. Participating in running races on sports day is optional, (the competitive team games are compulsory though) as not all children respond well to performing in front of an audience (as they don't in stage shows); this year EVERY child entered every race, including the long distance events and were determined to cross the finish line. This is a significant shift in mind-set from previous years and one we intend to build on this year.
