

Dear Parents/Carers,

Induction of Reception Pupils

Arrangements for the Induction of Reception age pupils (i.e. pupils whose 5th birthday falls between September - August) in to the Vale of Belvoir Primary Schools are as follows:

- there will be a maximum of 4 induction visits made during the Summer term prior to the Autumn admission date
- the visits will last for half a day in any one week
- this is to take effect from the academic year 2008/2009, to coincide with the Vale re-organisation

These arrangements will:

- ◇ ensure consistency across the Vale
- ◇ create equality of opportunities for all pupils
- ◇ maximise learning and teaching for pupils currently in Reception classes, as there will be less disruption to lessons and fewer numbers in the class

Details of dates and times will be sent to you by your allocated school in good time for you to make the necessary arrangements prior to the commencement of the visits.

Please be aware that these arrangements are quite separate from those made by individual schools regarding pre-school/Nursery provision; ask your local school for further information if required.

We look forward to working with you in the very near future. If in the meantime, you have any further queries, please contact your local school direct.

Yours sincerely,

Bottesford CofE Primary School
