Dear Parents,

School Car Park

Please could I remind you to take great care when driving in and out of the car park. I appreciate that everyone is busy in the morning but the car park is becoming quite a dangerous place. When leaving the premises, there is a public footpath to cross and so exiting VERY SLOWLY and being prepared to stop quickly if people are walking to school, is essential. Please may I also remind you not to park in the lay-by for any reason.

In Class this week –

Holly Class

In Holly class this week we have been celebrating Chinese New Year by making lanterns, dragons, fortune tellers and tasting delicious food. We have also looked at the counties that make up the UK, and in maths we have been adding and recognising numbers to 20.

Oak Class

In literacy this week we have been writing newspaper reports to coincide with our class story – The Fox and the Ghost King. In maths we have been comparing units of length from mm – cm – metres and in Geography we have been designing villages using our map skills.

Sycamore Class

In Sycamore class this week we have been taking part in the RSPB Bird Watch count. In literacy we have been writing an evacuee letter as part of our topic work – WWII, and in maths we have been adding mixed number fractions.
